

Economic Development & Zoning Committee

The Economic Development & Zoning Committee met in council chambers on Thursday, May 19, 2016 at 6:30 pm.

Members present: Chairman, Donna Carver & John Oyster. Excused: Keith Strait.

Also present was Village Administrator Dan Rogers and Mayor Mike Porter.

The only agenda item was preliminary selection of the Nathan Tucker Award recipient.

Prior to the meeting all nomination submissions had been provided to the committee members for review. Member Keith Strait expressed his desire to abstain from the process and was excused from attending.

The deadline for submissions is May 23rd. After careful consideration and discussion of the submissions thus far, and while all the nominees were deemed excellent candidates, one was chosen as the preliminary choice.

If no further submissions have been received by the deadline of May 23, 2016, the preliminary selection will be named the award recipient.

If other nominations are submitted by the deadline, the committee will review those submissions against the preliminary selection and a final choice will be made.

The meeting was adjourned at 6:45 p.m.

Respectfully submitted by Donna Carver
