

ADMINISTRATOR'S REPORT

12-15-14 through 1-4-15

Waste Water Treatment Plant

- Sewer Plant running fine, nothing new to report.
- The air handling unit for the screen building is still out of service. We have talked with the factory after 2 weeks of calls. Hope to have parts next week.
- Continued with daily testing and other normal maintenance.

Sanitary Sewer Collection System

- Monthly service to the system is being done as time permits.

Water System & Plant

- We continue to perform normal maintenance at the plant.
- Had a problem with the probes in the brine tanks. This problem was resolved after calling in a tech.
- Other than the normal meter and curb box repairs all things in town has been normal.

Other issues

- Nothing new to report

Recreation / Pool

- Closed for the season.

Street / Storm Sewer

- Cold patching of the pot holes around town over the past two weeks continues. This work is ongoing.
- We are still waiting on CSX to approve the jack and bore. We have been in contact but the road blocks still continue.

Development

- **Nothing new to report**

This is a short report but fortunately things have been running smooth in town since the last meeting. We have been short-handed other this period due to employees taking the rest of their vacation days. We have had all areas covered so that no services were short cut during the period.

HAPPY NEW YEAR!!!

**Prepared by
Dan Rogers, Village Administrator
