

Fire Department Meeting  
November 30, 2015  
Village Chambers

Present for the meeting were:

Chief Young-Fire Chief of Mount Gilead

Kay Hines, Chair of Fire and Police Safety Committee

Mayor Mike Porter

Members: Ed Kline and John Curtis

Discussion:

1. Edison Village and Canaan Township Contracts that will end December 31, 2015. Canaan passed their levy in the recent election. The present contract will stay in effect during the 2016 year. The levy passed in November will see those funds in 2017.
2. Edison increases the mileage by  $\frac{1}{2}$  mill for 1 year. Working to get all townships/village up to  $2\frac{1}{2}$  so everyone is paying the same mileage.
3. To staff the fire department 7 days a week would cost about \$40,000.00 additional monies. This amount of money is already budgeted.
4. Recommendation to approve Malachi Swanson part-time firefighter. He is close by if needed in a major fire.
