

Job Opening for Water and Wastewater Technician

The Village of Mount Gilead is accepting resumes for a position in the Water and Wastewater Departments. Applicants should include their salary requirements with a letter of interest.

The successful applicant must have a High School Diploma or GED. Associates degree preferred, 5 years of operational experience in water and wastewater areas. Must be willing to become lab certified for water and wastewater.

Have a Class B CDL and be able to operate the following equipment; vactor jetter, backhoe/trackhoe, skid loader, other related construction equipment (will train) and have general knowledge of mechanical maintenance.

This is a full time, hourly position, wages are dependent on experience. A competitive benefit package is offered.

An extensive background investigation will be conducted for those applicants reaching final consideration.

Mail, Email to Administrator@mountgilead.net or drop off resumes to the Village of Mt. Gilead at 72 West High St., Mt. Gilead, OH 43338 to the attention of the Village Administrator.
